Specialty Area Test for Licensure: MC Mathematics

This program includes two licensure areas: Middle Childhood and Gifted Education Intervention Specialist. Students enter the program through the Middle Childhood Education cohort. Two concentration areas are required for licensure in Middle Childhood Education. Students may apply for the combined bachelors/masters program. A maximum total of 13 credit hours can be earned at the graduate level. Students who are not accepted into graduate school may complete the program with 131-149 undergraduate hours.

I have reviewed the requirement sheet and professional requirements with an advisor and assume responsibility for remaining informed and completing my program.
